(2, Rond Point Maurice Bellonte 31707 Blagnac Cedex, France) (hereafter “Airbus” or the “Promoter”) is offering a share of the cash prize fund of €45,000 for the finalist teams whose ideas demonstrate the greatest short or long term potential to improve the overall performance of the aerospace industry. By registering, you should read and unconditionally agree to all of the terms and conditions. Furthermore, you accept any and all of Airbus’s decisions with regard to Airbus Fly Your Ideas as final and binding in all respects.

## 2. Airbus Fly Your Ideas

Airbus Fly Your Ideas (hereafter the “Competition”) is an international competition organised by Airbus S.A.S., a company incorporated under French law as a simplified joint stock company, with its headquarters located at 2, Rond Point Maurice Bellonte, 31707 Blagnac Cedex, France.

## 3. Who Can Participate?

Airbus Fly Your Ideas is a worldwide competition for students of all disciplines, who will, until 30 April 2019, be studying a Bachelors, Masters or PhD -level qualification, or the local equivalent, at a recognised degree awarding institution, such as a University, Grande Ecole, College or Fachhochschule, hereafter referred to as “University”, on a full-time or part-time basis.

Employees of Airbus, or their agents are not allowed to enter the Competition.

Students currently involved in an internship, apprenticeship or summer placement with Airbus are not eligible to take part in the Competition unless their contract ends before the end of the competition registration period and they notify the Promoter by email at [info@airbus-fyi.com](mailto:info@airbus-fyi.com).

Students who start working for Airbus while participating in the Competition must withdraw from the Competition.

Immediate family members (immediate family members include: spouse; parents and grandparents; children and grandchildren; brothers and sisters; mother-in-law and father-in-law; brothers-in-law and sisters-in-law; daughters-in-law and sons-in-law; adopted, half, and step members are also included) of Airbus employees are allowed to enter the Competition, but must declare, when requested, the name of said employee. Failure to do so will invalidate their registration, and will lead to disqualification from the Competition at this, or any later stage.

An individual who registers for and participates in the Competition as an individual or team or Academic Mentor, or is nominated as a student ambassador for Fly Your Ideas, cannot under any circumstances be considered as having a contractual employment relationship with Airbus and its affiliates, and for the avoidance of all doubt, cannot be considered as a salaried employee.

## 4. Registration

Students (hereinafter referred to as the “Participants”) wishing to participate must register in teams of between 3-4 Participants.

Individual students are only allowed to register as a team and under one team name. Students registering for more than one team will be disqualified. All individual members of the teams must have a valid e-mail address.

Airbus reserves the right to check the validity of the registration information submitted by students at any stage during the Competition and to ask for evidence of student status from the university cited by the student.

Airbus also reserves the right to refuse participation, or to disqualify, at any time during the Competition, students (and their teams) who have submitted incorrect or misleading information.

Participants/teams will have no recourse against disqualification decisions. All teams must be registered by 16 November 2018, 12:00 CET.

Exact deadlines will be provided on the competition website, in guidelines for Round 1 and in the competition FAQ on 10 September 2018. Any team not correctly registered on the date given at that time, will not be able to participate further in the Competition.

## **5. Team Composition**

Each team must comprise between 3 (minimum) and 4 (maximum) team members.

Each team should ideally comprise a diverse range of students from different disciplines, such as engineering, business, finance, science and may ideally also have a mix of men and women, though this is not essential.

Each team must appoint a Team Leader. The Team Leader will be the main contact point for the Promoter, and emails sent to the email address provided by the Team Leader will be considered delivered. Once a team has been registered, no modification in its composition will be allowed after the registration deadline on 16 November 2018, 12:00 CET, unless for specific reasons outlined below.

In the event that the number of members in a team is reduced to fewer than 3, the team shall be disqualified. However, Airbus reserves the right not to disqualify teams in which a team member has a legitimate reason to leave their team, as long as there are at least 2 team members continuing the Competition. The reasons considered as legitimate by Airbus are the following: pregnancy, accidents, serious illness or hospitalisation. To avoid disqualification, an additional team member may be invited to join the team as a replacement before the end of Round 2 (date to be communicated at the start of Round 1 in September 2018).

Team members wishing to cancel their participation must communicate this by email to the Promoter at [info@airbus-fyi.com](mailto:info@airbus-fyi.com). Team members can be replaced or new members added, to a maximum of 4, until the end of Round 2. A team member cannot be replaced unless they have confirmed by email as above that they wish to step down first.

Decisions relating to team changes after the registration deadline (16 November 2018, 12:00 CET) are at Airbus's discretion and will be reviewed by Airbus' Competition coordination team. Exact deadlines will be provided by 10 September 2018 as mentioned in section 4 of this document.

## **6. Competition Stages**

The Competition will end in May/June 2019, with an award ceremony for the top selected teams.

There are 3 rounds in the Competition, please consult the calendar below for deadlines to be aware of. At the start of each round a briefing pack will be sent to each Team Leader to describe the format and the evaluation criteria of that round. The Promoter may send additional information to each Team Leader during the course of each round, which will add to, or override, the information in the briefing pack. In this case, this information will be sent to all teams at the same time, and to the participant named as the Team Leader in each case.
